#### **Day 6 - Gorilla Tracking**

After breakfast you will transfer to the park headquarters for the briefing before you set off at 9:00 am through the tracks to search for the humble giants. You will go with packed lunch because it's hard to determine how long it will take you to meet these great apes. However the time ranges between 2-9 hours depending on the movement of the giant primates. The activity is tiresome, it involves walking along steep hilly tracks however encountering these great relatives of man erases all the poor memories/ hardships you went through in trying to find them. They are awe-inspiring!
