

### 3 Days: Entebbe – Ssesse Islands Escape

Situated in the northwest of Lake Victoria, the Ssesse Islands form one of Uganda's prime destinations. The major attraction in Ssesse besides leisure is game fishing, in particular Nile perch.

The Ssesse Archipelago consists of 84 separate Islands, some large and densely inhabited, others small and deserted, but lushly forested due to high annual rainfall in the area. Ssesse islands can be accessed by either using ferry services or a motor boat that is taken from Bukakata landing site on the shores of Lake Victoria. Visitors in search for a quiet relaxing place, swimming in the fresh waters of Lake Victoria and sun bathing have found this place an ultimate destination to find all the comfort that they need.

**Day 1** Lunch will be served at mid day, after lunch proceed to catch up with a ferry in time. The ferry leaves at 2.00pm and you need to be at Nakiwongo before 1.00pm. and cross to Ssesse Islands, arrive at the Island and check in at Ssesse Habitat Resort for dinner and Overnight, two nights.
